

Doncaster Masters' Athletics Venue Best Performances

Current as of 9/01/2012

Rules for inclusion in the Venue Best Performances List.

1. The event must be run at the Doncaster track.
2. The event must be run by VMA Doncaster as part of normal weekly venue meeting.
3. A minimum of two timekeepers is required.
4. The individual must be a current paid up member of VMA.
5. The time will be included in the age group based on the age of the runner at the date the record was set.
6. Runners are required to send an advice of a new record to the Doncaster Venue Secretary.
Information required is name, age, event, time and date.
7. Historic records have been collated from documents held by Doncaster Venue (either VMA or VVA) and "Around The Grounds".
8. These records are strictly speaking 'venue bests', as the venue does not have electronic timing nor wind meters and voluntary timekeepers whose timekeeping abilities will vary.

Age graded percentages are as follows -

100% = Approximate World Record Level

90-99% = World Class

80-89% = National Class

70-79% = Regional Class

60-69% = Local Class

Percentages based on WMA records as of 2006.
