HAWKES BAY is on the east coast of the North Island of New Zealand and is easily accessible from Auckland, Wellington or Christchurch by plane, bus, train or by rental car. The Hawkes Bay region is noted for its agriculture and horticulture. Fruit is grown in abundance - so much so that the region is known as the "fruit bowl of New Zealand" and is equally famous for its wine. The infrastructure includes two cities (Napier and Hastings) each with populations of 55,000 and they are only 14km apart.

The "BAY" as a region is rich in history, culture and scenic attractions. The weather is often claimed to be the best in the country. Certainly the area is noted for its long, hot and dry summers.

The Games will feature a full track and field programme (including multi events) for men and women. In addition there will be a half marathon, cross country events and 10km road walks. All of this activity will be spread over a seven day period which will include at least one layday. All events will be split into the traditional five year age groups starting at age 40 for men and 35 for women. There will be events for preveterans who are defined as men aged 35-39 and women 30-34. There will be no qualifying standards. Entry forms will be available in May 1997.

The Games are primarily the regional championships for veteran athletes of the relevant Veteran Associations affiliated to the Oceania Association of Veteran Athletes (OAVA). These athletes have automatic right of entry. However veteran athletes from member countries of any of the other WAVA Regions around the world are welcome to compete but of course are not eligible to claim Oceania titles.

Good quality and reasonably priced accommodation with full facilities is readily available from a large number of motels in both Napier and Hastings. Other budget accommodation options will also be available.
